[\(1888PressRelease\)](#) Verified Credible a third party testimonial service has created a 30 minute webinar that can help businesses improve their review ratings online, protect their brand from competitors and increase sales conversion rates for their products and services.

EVERY WEDNESDAY AT 1PM EST AND 3PM EST DON'T FORGET TO REGISTER IT'S FREE

Verified Credible new live webinar helps businesses to understand the roadblocks and liabilities from collecting reviews from your customers. Verified Credible has taken the time to put together a quick webinar that educates marketers and businesses on how to collect authentic reviews from their best customers as well as remaining FTC compliant when displaying reviews on their websites, landing pages, shopping cart pages and blogs.

Verified Credible will be offering the 30 minute webinars titled "Learn how online reviews can affect your business & How to protect yourself from competitors" every WEDNESDAY and 1pm EST and 3pm EST. The 30 minute webinars will be conducted by Scott Mores, Marketing Specialist and Robert Russo the founder and creator of Verified Credible. "This is a MUST SEE" says Robert Russo Because the Internet has become reviews centric it is important to understand how online reviews affect your bottom line and what you can do to protect yourself from harmful negative reviews while improving your customer service initiatives!

EVERY WEDNESDAY AT 1PM EST AND 3PM EST DON'T FORGET TO REGISTER IT'S FREE

After you have registered for the FREE webinar you will receive email alerts reminding you 1 day before the webinar is to take place. If you miss your webinar time don't worry we will be doing them every week 2 times every WEDNESDAY and will be adding more times as seats fill up!
